Portfolio Website Storyboard

Design documentation | Damario Foster | University of Technology, Jamaica

Purpose and page structure

- Four-page personal portfolio built with HTML5 and CSS3.
- Pages: Home, Professional, Personality, and Personal Development.
- Shared layout: navy header, blue navigation, stacked white content sections, navy footer.
- Navigation remains visible as links on every page; no JavaScript or framework is used.

Website navigation and content map

HEADER: page title + subtitle
